Death Benefit (provided policy is in force)	On the Death of the Life Insured, higher of Sum assured or Fund Value (as on the Date of Death), subject to a minimum of 105% of total premiums received up to the date of death shall be payable. Settlement option will not be provided for death benefit payout.																																					
Guaranteed Loyalty Additions	0.30% of Fund Value shall be added to the Fund by creation of additional units, at the end of every policy year starting from 11 th policy year. The Loyalty Additions increase by 0.02% (absolute) each year thereafter. The additional units shall be created in different funds in proportion of Fund Value at the time of credit. Loyalty Additions will be payable only on Regular Pay for premium paying policies. In case of revival of policies, the Loyalty Additions for previous years will be paid based on the Fund Value prevailing at the revival date. Policies, for which premium reduction option has been opted for will also be eligible for Guaranteed Loyalty Additions.																																					
Systematic Transfer Plan	Systematic Transfer Plan helps you replicate a Rupee cost averaging method on your Annualized Premium. It is available with Single Pay and Annual Premium Payment Mode in 5 Pay and Regular Pay. Under Systematic Transfer Plan option, the Annualized / Single Premium received net of Premium Allocation Charge shall be allocated first to the Secure Plus Fund to purchase Units. Immediately thereafter and on each subsequent monthly anniversary, Fund Value of [1 / (13 - month number in the policy year)] of the Units available at the beginning of the month shall be Switched to Growth Super Fund automatically by cancelling Units in the Secure Plus Fund, and purchasing Units in the Growth Super Fund.																																					
Dynamic Fund Allocation	Dynamic Fund Allocation option is an investment strategy which in early part of your Policy Term invests in equity oriented funds and as your Policy Term progresses it shifts the fund allocation towards more conservative funds. You can opt for Dynamic Fund Allocation option only at the inception of policy. Under this option, Assets Under Management shall be maintained amongst Growth Super Fund and Secure Fund in a pre - defined proportion that changes depending upon the years left to maturity.																																					
Settlement Option	You may, at least 15 days prior to the Maturity Date, opt for a Settlement Option, pursuant to which the Company will continue to manage the Funds for you for a maximum period of 5 years from the Maturity Date and make periodic payments. During the settlement period, Fund Management Charges shall continue to be levied. There shall be a risk cover equal to 105% of the total premiums paid and mortality charges will be deducted basis the sum at risk. You may exercise switch option during settlement.
