HIGH GROWTH PENSION FUND

ULIF03722/09/25PENSHIGHGR104

30-Sep-26

Objective: High Growth Pension Fund is a multi-cap fund with a focus on mid cap equities, where predominant investments are equities of companies with high growth potential in the long term (to target high growth in capital value assets). At least 70% of the Fund corpus is invested in equities at all times. However, the remaining is invested in government securities, corporate bonds and money market instruments; hence the risk involved is relatively higher.
