Immediately thereafter and on each subsequent Monthly Anniversary, the Fund Value of the Units available in Secure Plus Fund will be systematically transferred to any of the chosen (as chosen from the below list at Inception of Policy) equity oriented Fund (as per the below formula) by cancelling

Units in the Secure Plus Fund, and purchasing Units in the chosen equity oriented Fund (as chosen from the below list at Inception of Policy) on the applicable NAV at that time till the availability of Units in Secure Plus Fund, as per the below formula:

$$[1/(13 \text{ less month number in the Policy Year})]$$

For example:

<i>Policy month 1: 1/(13-1)</i>	<i>= 1/12th of the Units to be Switched</i>
<i>Policy month 2: 1/(13-2)</i>	<i>= 1/11th of the Units to be Switched</i>
<i>Policy month 11: 1/(13-11)</i>	<i>= 1/2 of the Units to be Switched</i>

- 2.2.6 In case You fail to pay the due annual Premium within the Grace Period, the Systematic Transfer Plan shall cease to apply, and the annual Premium received after the expiry of Grace Period shall be Allocated to the chosen equity oriented Fund or any other Fund of Your choice. Hence, You have an option to choose the Fund of Your choice in case the Premium is paid after the expiry of Grace Period. In case there is no such request from You, Premium automatically gets Allocated to chosen equity oriented Fund. The Systematic Transfer Plan option shall be automatically applied for all future annual Premiums received thereafter but within the Grace Period, unless advised otherwise.
- 2.2.7 In case of Revival of the Policy, the Premium received and the Fund Value in Discontinuance Policy Fund, if any, shall be Allocated in chosen (as chosen from the below list at Inception of Policy) equity oriented Fund. Upon receipt of the next Premium, Systematic Transfer Plan will be applicable as stated hereinabove.
- 2.2.8 In case the Policy Anniversary happens on a non-working day for the markets then next working day's NAV will be applicable.

2.3 LIFECYCLE BASED PORTFOLIO STRATEGY

2.3.1 You may opt to exercise the 'Lifecycle Based Portfolio Strategy' option only prior to the Date of Commencement of Risk. If this investment strategy is in force, the investments will be distributed between Fund 1 and Fund 2 with their proportions varying as per the different life stages. Fund 1 would essentially be an equity oriented Fund whereas Fund 2 would be a debt-oriented Fund. You may choose Fund 1 and Fund 2 from the available options described below. Once chosen, the Fund cannot be changed throughout the Policy Term.

Fund options for Fund 1:

- a. Growth Super Fund II (SFIN: ULIF04217/12/25GROWTHSUPR104)
- b. Diversified Equity Fund II (SFIN: ULIF04317/12/25DIVIEQUITY104)
- c. Growth Fund (SFIN: ULIF00125/06/04LIFEGROWTH104)

Fund options for Fund 2:

- a. Conservative Fund (SFIN: ULIF00325/06/04LIFECONSER104)
- b. Secure Fund (SFIN: ULIF00425/06/04LIFESECURE104)
- c. Secure Plus Fund (SFIN: ULIF01628/04/09LIFESECPLS104)

2.3.2 At the Date of Commencement of Risk, the Premium (reduced by the Premium Allocation Charge and applicable taxes, cesses and levies) will be distributed between the two Funds as opted by you based on Age of the Life Insured. Thereafter, as per the Age of the Life Insured (as reckoned on each Policy Anniversary), on the attainment of next Age band as per the table below, the Funds will be re-distributed accordingly:

Age last birthday	Proportion in Fund 1	Proportion in Fund 2
Up to 25	85%	15%
26-30	80%	20%
31-35	75%	25%
36-40	70%	30%
41-45	65%	35%
46-50	50%	50%
51-55	35%	65%
56 and above	30%	70%

2.3.3 On an annual basis (i.e. every Policy Anniversary), the Fund Value shall be rebalanced, if necessary, to achieve the above proportions even if there is no change in the Age band. The rebalancing will be done on each Policy Anniversary except for the last year's Policy Anniversary i.e. (Policy Term minus 1)th year.

2.3.4 In the last year of the Policy Term, the remaining investments from Fund 1 will be systematically transferred to Fund 2, in 12 installments to obtain Fund conservation towards maturity. Units in

Fund 1 will be transferred to Fund 2 on each subsequent Monthly Anniversary, by cancelling the Units in Fund 1 and purchasing the Units in Fund 2 (based on the applicable NAV at that time) and this shall continue till the availability of units in Fund 1, as per the formula below:

[1/(13 less month number in the Policy Year)]

For instance:

In the last Policy Year of the Policy starting from 1st month:

Policy Month 1: $1/(13-1) = 1/12$ th of the Units to be Switched

Policy Month 2: $1/(13-2) = 1/11$ th of the Units to be Switched

Policy Month 11: $1/(13-11) = 1/2$ of the Units to be Switched

Policy Month 12: $1/(13-12) =$ Balance Units to be Switched

- 2.3.5 If Premium is received on any date later than Premium due date or other than Policy Anniversary but before the expiry of Grace Period, it shall be Allocated in the same proportion as applicable as per last Policy Anniversary.
- 2.3.6 You may opt out of this strategy option during the Policy Term by giving Us a prior written request, in which case this option will cease to be effective from the subsequent Policy Anniversary upon which You will automatically be transferred to 'Self-Managed Portfolio Strategy' with choice of Your Funds. Once You have opted out, You cannot opt for this strategy again during the Policy Term.
- 2.3.7 No Switches or Premium Redirections would be allowed under this strategy.
- 2.3.8 In case You opt for Partial Withdrawal or smart withdrawal, such withdrawal will happen from all underlying Funds in the same proportion as the total Fund Value. You will not have any choice to opt for any specific Fund from which the Partial Withdrawal or smart withdrawal of Units is to be done.
- 2.3.9 In case of Revival of the Policy, the Premium received and the Fund Value in Discontinuance Policy Fund, if any, will be Allocated in the proportion applicable, in Fund 1 and Fund 2, on the last Policy Anniversary.
- 2.3.10 In case the Policy Anniversary happens on a non-working day for the markets then next working day's NAV will be applicable.

2.4 TRIGGER BASED PORTFOLIO STRATEGY

- 2.4.1 You may opt to exercise the trigger based portfolio strategy option only prior to the Date of Commencement of Risk. If this investment strategy is in force, any Premium received will be initially Allocated between Fund 1 and Fund 2 in a 75%: 25% proportion. The Fund Allocation may subsequently fluctuate due to market movements. In such case, Your portfolio will be rebalanced, and the funds would be re-Allocated based on a pre-defined trigger event which would be checked at every Monthly Anniversary of the Policy. You may choose Fund 1 and Fund 2 from the available options as described below, however, once chosen, the Fund options cannot be changed throughout the Policy Term.
- 2.4.2 This trigger event is defined as an upward movement of x% in NAV of Fund 1, since the previous rebalancing. For determining the first trigger event, the movement of x% in NAV of Fund 1 will be measured vis-à-vis the NAV at the inception of the strategy in the Policy; where 'x' can be 10% or 15% or 20% as may chosen by You. The trigger event once chosen, cannot be changed during the Policy Term. On the occurrence of the trigger event, any Fund Value of Fund 1 which is in

excess of three times the Fund Value of Fund 2 is considered as gains and is Switched to the Fund 2. Such rebalancing ensures that gains are capitalized and protected from future equity market fluctuations, while maintaining the asset Allocation between Fund 1 and Fund 2 in the proportion of 75%:25%. Fund 1 would essentially be an equity oriented Fund whereas Fund 2 would be a debt oriented Fund. You may choose Fund 1 and Fund 2 from the available options as described below, however, once chosen, the Fund options cannot be changed throughout the Policy Term.

Fund options for Fund 1:

- Growth Super Fund II (SFIN: ULIF04217/12/25GROWTHSUPR104)
- Diversified Equity Fund II (SFIN: ULIF04317/12/25DIVIEQUITY104)
- Growth Fund (SFIN: ULIF00125/06/04LIFEGROWTH104)

Fund options for Fund 2:

- Conservative Fund (SFIN: ULIF00325/06/04LIFECONSER104)
- Secure Fund (SFIN: ULIF00425/06/04LIFESECURE104)
- Secure Plus Fund (SFIN: ULIF01628/04/09LIFESECPLS104)

2.4.3 You may opt out of the strategy option during the Policy Term by giving Us a prior written request, in which case this option will cease to be effective from the subsequent Policy Anniversary upon which You will automatically be transferred to 'Self-Managed Portfolio Strategy' with choice of Your Funds. Once You have opted out, You cannot opt for this strategy again during the Policy Term.

2.4.4 No Switches or Premium Redirections would be allowed under this strategy.

2.4.5 If Premium is received on any date later than Premium due date or other than Policy Anniversary but before the expiry of Grace Period, it shall be Allocated into the two chosen Funds, Fund 1 and Fund 2 in a 75%: 25% proportion.

2.4.6 In case You opt for a Partial Withdrawal or smart withdrawal, withdrawal will happen from all underlying Funds in the same proportion as the total Fund Value at that time. You will not have any choice to opt for the Fund from which the Partial Withdrawal or smart withdrawal of Units is to be done.

2.4.7 At the time of Revival of the Policy, the Premium(s) received and the Fund Value in Discontinuance Policy Fund, if any, will be Allocated into the two chosen Funds – Fund 1 and Fund 2- in a 75%: 25% proportion.

2.4.8 In case the Policy Anniversary happens on a non-working day for the markets then next working day's NAV will be applicable.

2.5 DYNAMIC FUND ALLOCATION

2.5.1 You may opt to exercise the dynamic Fund Allocation option only prior to the Date of Commencement of Risk. If this investment strategy is in force, Switching of the existing Fund Value shall happen on the Policy Anniversary and We will automatically Allocate the Premium received on the later of the date of receipt of the Premium or the due date of Premium and Switch Units in the Funds on each Policy Anniversary, in a pre-determined proportion specified in the table below:

Policy Years to the Maturity Date	Proportion under Growth Super Fund II	Proportion under Secure Fund
16 and above	80%	20%
11-15	60%	40%
6-10	40%	60%
0-5	20%	80%

- 2.5.2 If Premium is received on any date later than Premium due date or other than Policy Anniversary but before the expiry of Grace Period, it shall be allocated as per the proportion applicable on the last Policy Anniversary.
- 2.5.3 You shall not be permitted to make Premium Redirections or Switch Units between the Funds during the period when this option is in force.
- 2.5.4 In case You opt for a Partial Withdrawal or smart withdrawal, withdrawal will happen from all underlying Funds in the same proportion as the total Fund Value at that time. You will not have any choice to opt for the Fund from which the Partial Withdrawal or smart withdrawal of Units is to be done.
- 2.5.5 You may opt out of the strategy option during the Policy Term by giving Us a prior written request, in which case this option will cease to be effective from the subsequent Policy Anniversary and You will automatically be transferred to 'Self-Managed Portfolio Strategy' with choice of Your Funds. Once You have opted out, You shall not be permitted to recommence the strategy during the Policy Term.
- 2.5.6 In case of Revival of the Policy, the Premium received and the Fund Value in Discontinuance Policy Fund, if any, will be Allocated in the proportion as per the Age of the Life Insured as on the last Policy Anniversary.
- 2.5.7 In case the Policy Anniversary happens on a non-working day for the markets then next working day's NAV will be applicable.

3. ALLOCATION OF PREMIUM

We will Allocate the Premium on the later of the date of receipt of the Premium or the Premium due date, as the case may be, to the Funds chosen by You and in the Allocation, proportion specified in the Schedule (or as modified from time to time) after deduction of the Premium Allocation Charge, if any.

4. UNITS & UNIT PRICE

- 4.1 We will initially open a Unit Account as on the Date of Commencement of Risk.
- 4.2 Units will be purchased and cancelled at the Unit Price/NAV. The number of Units shall be expressed up to 3 (Three) decimal places.
- 4.3 Units will be cancelled from the Unit Account for recovering applicable charges and for payment of benefit amounts and other amounts which are payable from the Fund Value.
- 4.4 The underlying assets in all Funds belong to Us. Units are purely notional and are only for the purpose of determining the charges recoverable and amounts payable under the Policy. Neither the Units nor the Unit Account gives rise or shall be deemed to give rise to any legal or beneficial ownership or right to You, the Life Insured, Nominee or the Claimant in either the assets to which the Funds are referenced or the income from those assets or any surpluses in any Funds or in Our profits or assets.

4.5 The price of a Unit shall be calculated as per the following formula:

4.6 The NAV shall be determined on each Valuation Date. The NAV in respect of each Fund will be determined by dividing the value of the Fund with the number of Units on the Valuation Date subject to rounding up or down by not more than 1% (One percent) of a Rupee.

Section 45 – Policy shall not be called in question on the ground of mis-statement after three years

Provisions regarding policy not being called into question in terms of Section 45 of the Insurance Act, 1938, as amended from time to time are as follows: 1. No Policy of Life Insurance shall be called in question on any ground whatsoever after expiry of 3 yrs from a. the date of issuance of policy or b. the date of commencement of risk or c. the Date of Revival of policy or d. the date of rider to the policy, whichever is later. 2. On the ground of fraud, a policy of Life Insurance may be called in question within 3 years from a. the date of issuance of policy or b. the date of commencement of risk or c. the Date of Revival of policy or d. the date of rider to the policy, whichever is later. For this, the insurer should communicate in writing to the insured or legal representative or nominee or assignees of insured, as applicable, mentioning the ground and materials on which such decision is based. 3. Fraud means any of the following acts committed by insured or by his agent, with the intent to deceive the insurer or to induce the insurer to issue a life insurance policy: a. The suggestion, as a fact of that which is not true and which the insured does not believe to be true; b. The active concealment of a fact by the insured having knowledge or belief of the fact; c. Any other act fitted to deceive; and d. Any such act or omission as the law specifically declares to be fraudulent. 4. Mere silence is not fraud unless, depending on circumstances of the case, it is the duty of the insured or his agent keeping silence to speak or silence is in itself equivalent to speak. 5. No Insurer shall repudiate a life insurance policy on the ground of fraud, if the insured / beneficiary can prove that the misstatement was true to the best of his knowledge and there was no deliberate intention to suppress the fact or that such mis-statement of or suppression of material fact are within the knowledge of the insurer. Onus of disproving is upon the policyholder, if alive, or beneficiaries. 6. Life insurance Policy can be called in question within 3 years on the ground that any statement of or suppression of a fact material to expectancy of life of the insured was incorrectly made in the proposal or other document basis which policy was issued or revived or rider issued. For this, the insurer should communicate in writing to the insured or legal representative or nominee or assignees of insured, as applicable, mentioning the ground and materials on which decision to repudiate the policy of life insurance is based. 7. In case repudiation is on ground of mis-statement and not on fraud, the premium collected on policy till the date of repudiation shall be paid to the insured or legal representative or nominee or assignees of insured, within a period of 90 days from the date of repudiation. 8. Fact shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer. The onus is on insurer to show that if the insurer had been aware of the said fact, no life insurance policy would have been issued to the insured. 9. The insurer can call for proof of age at any time if he is entitled to do so and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof of age of life insured. So, this Section will not be applicable for questioning age or adjustment based on proof of age submitted subsequently.
