HIGH GROWTH FUND

ULIF01311/02/08LIFEHIGHGR104

31-Dec-25

Objective: The fund is a multi-cap fund with a focus on mid cap equities, where predominant investments are equities of companies with high growth potential in the long term (to target high growth in capital value assets). At least 70% of the Fund corpus is invested in equities at all times. However, the remaining is invested in government securities, corporate bonds and money market instruments; hence the risk involved is relatively higher.

SMART INNOVATION FUND

ULIF03301/03/25INNOVATION104

31-Dec-25

Objective: Smart Innovation Fund is a fund with a focus on investing in innovative companies and business benefitting from the evolving innovation eco-system with the objective to generate long term capital appreciation. At least 70% of the Fund corpus is invested in a basket of equity stocks over the entire market capitalization range at all times. However, the remaining is invested in government securities, corporate bonds and money market instruments; hence the risk involved is relatively higher.

HIGH GROWTH PENSION FUND

ULIF03722/09/25PENSHIGHGR104

31-Dec-25

Objective: High Growth Pension Fund is a multi-cap fund with a focus on mid cap equities, where predominant investments are equities of companies with high growth potential in the long term (to target high growth in capital value assets). At least 70% of the Fund corpus is invested in equities at all times. However, the remaining is invested in government securities, corporate bonds and money market instruments; hence the risk involved is relatively higher.
